FARIMEHR FARAHMAND

Freelance Graphic Designer | Illustrator | Art Instructor

📍 Mountain View, CA

✉ farimehr@gmail.com

🌐 www.farimehrfarahmand.com

Creative and passionate graphic designer and illustrator with over a decade of experience crafting impactful designs for print and digital platforms. Specializing in children's book illustrations and educational software design, I bring stories to life with visually engaging content. Experienced art instructor dedicated to inspiring creativity in young minds through hands-on programs for elementary school students.

CORE SKILLS

Design Expertise: Logo, business card, and stationery design; brochures, flyers, pamphlets, and booklet creation; exhibition stands and banners.

Illustration: Children's books, digital storytelling, and educational assets.

Software Proficiency: Adobe Illustrator, Photoshop, InDesign, Lightroom, and Macromedia Freehand.

Instruction: Art teaching for elementary-level students, fostering creativity and technical skills.

PROFESSIONAL EXPERIENCE

After School Art Teacher

*Bisheh Art & Science Center & The Creative Kids Club
Sep 2019 - Present*

- Conduct engaging art programs for Pre-K to Grade 3 students, focusing on skill development and creative expression.
- Develop customized lesson plans to inspire and nurture budding artists.

Freelance Graphic Designer

June 2011 - Present

- Collaborate with clients to design personalized logos, business cards, brochures, and marketing materials.
- Work on a variety of projects, including children's books (print and [kindle](#) versions) and digital assets for websites and educational apps, including tvOS, that were released on Apple's AppStore (for more please see www.app4learners.com and <https://www.farnevis.com/>).
